U.S. Patent and Trademark Office  
Alexandria, VA 22313-1450

Dear Sir:

RESPONSE, UNDER 37 C.F.R. §1.111

Applicants respectfully submit a Terminal Disclaimer To Obviate a Double-Patenting Rejection Over a Prior Patent (Form PTO/SB/26) and terminal disclaimer fee, required under 37 C.F.R. §1.20(c), in response to an Office Action, mailed October 14, 2003. In the Office Action, all the claims pending in the present case (i.e., claims 1-36) were rejected under the judicially created doctrine of obviousness-type double patenting as being unpatentable over claims 1-11 of U.S. Patent No. 6,495,157 B1. This was the only ground of rejection of any claims of the present application set forth in the Office Action.

Applicants respectfully overcome the obviousness-type double patenting rejection by submitting the Terminal Disclaimer and fee, transmitted herewith. As acknowledged in the terminal disclaimer, U.S. Patent No. 6,495,157 B1 and the present application are commonly owned. Applicants submit that the Terminal Disclaimer conforms with the requirements of 37 C.F.R. 1.321 for use in overcoming such a rejection.

6193/1

For reasons given above, Applicants respectfully submit that all of claims 1-36 of the present case are in condition for allowance. Issuance of all the claims is, therefore, requested.

Please direct all future correspondence regarding this patent application to the new correspondence address set forth below, and in a change of correspondence address request form, transmitted herewith.

Respectfully submitted,

Karen B. King
